"Where Professionalism Meets Perfection In Window Installations
with Sakthi Windows & Doors"

UPVC WINDOWS & DOORS

Sakthi Windows & Doors, is a source for innovative, state of art and high-end solutions for the uPVC & Aluminium Windows industry. With an high experience of over 19 years, **Sakthi Windows & Doors** has emerged as an un-disputed leader in the uPVC & Aluminium windows and doors industry.

SLIDING WINDOWS / DOORS

uPVC Sliding windows are ideal for homes that require space-economy. In uPVC sliding windows, two or more frames, slide horizontally on tracks to the left or the right. The windows are slightly raised above the track for smooth slide and also preventing dust from collecting down in the track.

CASEMENT WINDOWS / DOORS

Sakthi Windows are perfect for casement window design applications and come with uPVC window details like double casement windows options for wider openings. We provides modern uPVC casement windows from top brands in India, featuring customisable dimensions, finishes and accessories at affordable pricing.

VILLA WINDOWS, CORNER & BAY WINDOWS

Sakthi Windows are specialists in the field of manufacturing uPVC Villa Windows, Fixed & Bay Windows. We at UV resistant, weather coat resistant, termite proof and require very less maintenance. These types of windows offer sound insulation, are long-lasting, corrosion resistant, and do not fade.

VENTILATORS / LOUVERS

UPVC Ventilators are the uPVC windows that can be operated both inwards and outwards with the support of hinges fixed on the ventilator frames. The usage of modernized high-quality sashes in the ventilator hardware enables smooth and easy functioning of these upvc ventilators.

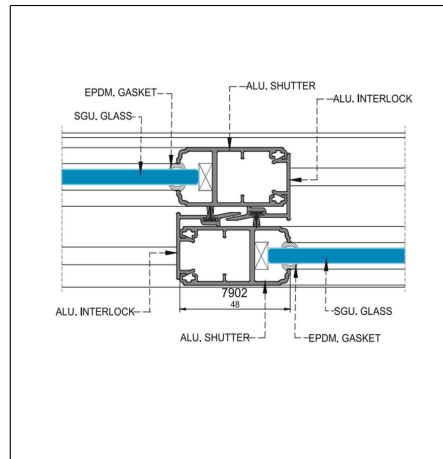

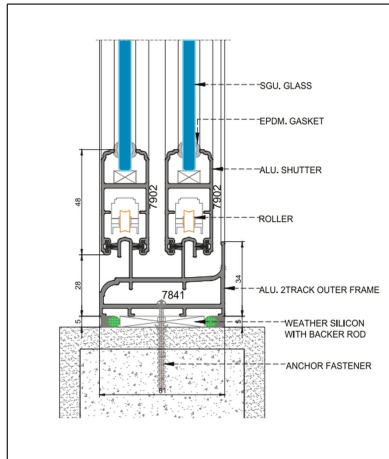

**"Windows That Reflect Your Personality, Installations That Reflect Our Expertise
with Sakthi Windows & Doors"**
